Dear Friend,

Your assistance is needed in supporting a very important fundraiser event for the brave men and woman of our U.S. Armed Forces who have been wounded in the global war on terror. American Heritage Goju Karate - Do is hosting [American Heritage Goju Karate- Do "team"](#) on March 20, 2011 in Valhalla , NY.

We are asking for your support as a sponsor or donor to help raise the funds necessary to provide valuable programs and services for injured men and women returning home from Iraq and Afghanistan.

Tens of thousands of service men and women have been injured in the recent war on terror, many of them suffering traumatic brain injuries, amputations, and severe burns, which will retire them from service. Wounded Warrior Project (WWP) provides programs and services, such as benefits counseling, family assistance, internships and much more, to ease their burdens and aid in the transition back to a successful civilian life.

Several sponsorship levels are available:

\$250 \$500 \$1000 Other

Thank you very much for your time and consideration of this important event. Together, we can make a difference in the lives of U.S. troops who selflessly put their safety on the line every day. Please consider giving back to those who have given so much already.

Visit <http://woundedwarriorproject.org> for more information on this worthy cause or contact event coordinator Joseph Sayers to discuss sponsorship opportunities. We look forward to your participation.

Respectfully,
